Front-End Developer | React, TypeScript & AI Integration

Bilingual Front-End Developer(English/French) with strong expertise in React, TypeScript, and modern JavaScript ecosystems. Experienced in building production-ready web and mobile applications and integrating AI-driven features using structured prompt engineering and API-based workflows. Skilled in defining technical specifications, evaluating code quality, and designing scalable frontend architectures. Published mobile applications on Google Play and App Store with full end-to-end ownership from design to deployment.

TECHNICAL SKILLS:

- **Frontend Development** HTML, CSS, JavaScript, React.js, React Native, Next, Bootstrap, Tailwind, TypeScript
- **Backend Development:** Node.js, Express.js, Firebase, MongoDB
- **AI & API Integration:** OpenAI API integration, prompt structuring, API validation, structured output evaluation
- **UI/UX Design:** Wireframing, Prototyping, Figma, Usability Testing
- **CMS & SEO:** WordPress, SEO (Keyword Research, Analytics, Reporting)
- **Tools & Collaboration:** Git, Trello, Asana, Microsoft Teams, Zoom, REST APIs, Testing & Debugging
- **Design Tools:** Figma, Sketch, Photoshop, Illustrator, Canva, Unity

PROFESSIONAL EXPERIENCE

Self-employed, Canada

2023 - Present

Front-End Engineer & AI Application Developer

- Designed and developed AI-powered web and mobile applications using React Native and [Node.js](#).
- Integrated OpenAI-based APIs for image generation, nutrition analysis, and AI-driven workflows.
- Structured prompt logic and defined validation constraints to improve AI output reliability.
- Evaluated AI-generated outputs for logical consistency and alignment with user-defined parameters.
- Implemented robust error-handling strategies for API-driven frontend features.
- Managed full lifecycle: architecture design → implementation → testing → deployment.

Key projects:

- **Word Nexus** – Multilingual puzzle game (EN/FR), built with Unity & C#, published on Google Play & App Store.
- **Nutraxis App** – AI-powered wellness & nutrition app (React Native) integrating structured food analysis workflows.
- **Vistelle** – AI-powered interior redesign application
 - Designed multi-flow AI generation system (quick generate vs customizable redesign)
 - Implemented structured input constraints (style, materials, lighting, budget)
 - Integrated Express backend with OpenAI endpoints for image transformation
 - Evaluated and refined AI outputs to improve realism and constraint adherence
- **KidsTalk App** – React Native bilingual educational app.

WITT Hub, Ottawa, Canada

Jan 2024 – Aug 2025

Front-End Developer

- Developed and optimized frontend architecture for Co-Parent web application using React.js.
- Integrated REST APIs and ensured consistent data flow between frontend and backend systems.
- Refactored components to improve performance, maintainability, and reduce production bugs.
- Collaborated in Agile sprints with cross-functional teams.

ALALEH KASHANI

Montreal, QC | 514-581-4505 | alaleh.kashani34@gmail.com

Freelance

2021 – 2023

Web UX/UI Designer & Developer

- Delivered projects for **ACP Renovation (WordPress, custom theme)**, **Unisolution (WordPress)**, **Time Tracking App (UX/UI)**, **Language App (UX/UI)**
- Conducted UX research (interviews, surveys) and translated insights into engaging design solutions
- Designed interactive prototypes with Figma and validated through user testing / A-B testing (+20% engagement)
- Coordinated with clients to gather requirements and deliver user-friendly, SEO-compliant designs
- Developed responsive websites using HTML, CSS, JavaScript, and WordPress

Unisage Solution inc., Montreal

Sep 2016 - Apr 2017

Translator

- Translation and linguistic revision of technical content for the Cutsage application (construction measurements).
- Collaboration with the development team to ensure terminological accuracy and consistency.

EDUCATION

- **ACS in Web Design & Development** | CDI College, Montreal, Quebec
- **Certificate in English Language** | TELUQ, Montreal, Quebec
- **Certificate in French Language** | The University of Montreal, Montreal, Quebec
- **Bachelor of Computer Science** | Azad University, Tehran, Iran

CERTIFICATIONS

- The Ultimate React Course - Certified Professional
- The Complete JavaScript Course
- Google UX Design Professional Certificate
- Introduction to UX Writing
- UX/UI Design
- Web Development
